Helping to Make Cancer a Thing of the Past...

SPONSORS & SUPPORTERS PACKAGE

Sunday, June 16th, 2024 | Cedarvale Park, Georgetown

www.classicsagainstcancer.com

Dear Friends and Supporters,

YOU can make a real difference in the lives of those facing cancer by supporting the **34th Annual Classics Against Cancer Car Show**. Cancer is the leading cause of death among Canadians. With approximately 186,400 new cases, and of 75,700 deaths annually, cancer is a growing concern. 40% of all men and women, at some point, will be diagnosed with Cancer during their lifetime. YOU can help change that with your support.

After 33 years, the **Classics Against Cancer Car Show** is known for being one of the prestigious classic car events in Southern Ontario, with new components added annually. The show averages 500 cars and 4000 visitors annually, and these numbers continue to grow. With the help of all of our volunteers and contributors over the years, it has become a true Father's Day tradition.

Thus far, with our supporters' help, we have been able to raise nearly \$1,000,000 since our first show over 34 years ago. But the fight is far from over! In fact, the need is greater now, than ever. This is where you can make a difference with your contribution. We have several sponsorship options available, with each level adding additional appreciation for you and your business or group. In addition, for a minimal amount, you can feature your business or service at the show in our vendors' area.

With the growth of our event, and our continuing contribution to helping make Cancer a thing of the past, so does our search for volunteers. If you have any interest in being involved in an event and cause that is this rewarding, please contact our organization. We would love to have you as part of our team in this battle against cancer!

Yours Truly,

Chris Crane & The CAC Committee
